

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

IQAC plays a crucial role in maintaining the standards and quality of the institution. Along with management, IQAC, teaching and non-teaching staff, Principal of the college will discuss and develop a perspective plan. As a result of this, the institution has planned strategically with a vision to fulfill the curricular and co-curricular needs. The perspective plans of the institution are as follows:

- Continuous monitoring of students to improve the academic results by conducting remedial classes.
- To increase academic performances at University level.
- To improvise the Botanical garden.
- e-attendance as per NEP
- Providing e-content the betterment of students via library app
- Arranging Industrial Visits.
- Faculty Exchange Programmes.
- Student Exchange Programmes.
- MoU with Industries/ Hospitals/ other agencies.
- Organizing National workshops/ Seminars/ Webinars/ Symposiums
- Developing Career Guidance and Placement cell.
- Building renovation and new building construction.
- Value added programmes.

Recently, the elevator service has been started for the benefits of disabled students and the aged citizens which reflect the importance of the introduction of this facility. Also, the construction of new building has been started with an intention to provide the quality education with advanced services.
